CO.DE

Contemporary Design

Contemporary Design is ever changing.
It is of the moment.

CO.DE with its eclectic mix of design elements is an ideal solution for spaces that are designed to accommodate the ever shifting preferences, tastes & needs of the people who live there.

Contemporary Design is ever evolving.
CO.DE is a calm, collected & mature design statement of presentness, with nothing glaringly reminiscent or futuristic.

Note: Colours shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserves the right to change the specifications without prior notice. Sometimes variations in shade or size being inherent to ceramic industry may occur. Before fixing, we advise you to follow the fixing instructions on the cartons of the tiles as no responsibility can be accepted by the company once the tiles have been fixed.
